

TO ALL CUSTOMERS

April 16th, 2004

Dear valued customer,

please be informed that of april 21st, 2004 the new ACI/CBSA reporting system, demanding all cargo information to be reported to CBSA, 48 hours prior to vessels arrival at loadport, went into effect.

For this purpose please find below list of vessels which we are forced to start with ACI/CBSA report.

#### ACI/CBSA NOTICE

| Traffic                          | vessel                   | loadport         | ETS      |
|----------------------------------|--------------------------|------------------|----------|
| Antwerpen / Montreal:            | m/v "OOCL Montreal"      | ets Antwerpen:   | 27/04/04 |
